

If you answered **YES** to any of the above, then here is your solution:

Post a project on ***DonorsChoose.org*** and let the fundraising begin!

Since 2007, more than **\$200,000** was donated to help fund projects developed by Kaua'i teachers. Organizations, like the Hale Uluwehi Charitable Fund, Chevron, and island visitors made many contributions and they are willing to do so again!

What's even better is that support and training are available to all interested teachers! If you are interested in tapping into this amazing resource or want to find out more, please contact your leadership team. Training will then be coordinated with the **Ambassador to Kaua'i for Donors Choose, Jessica Kerber.**

In the meantime, you can contact Jessica for help.
